what to buy now

Whether you're gearing up for outdoor entertaining or just lazing away inside, check out these hot finds for the summertime

Ice Bucket and Tongs / \$160

The porcelain ice bucket sits in a beechwood frame fitted together with furniture finger-joint techniques. The clean lines are as sturdy as they are graceful. "Framework" ice bucket and tongs from the Café Blanc collection; dansk.com

Wooden Corkscrew / \$75

This handsome corkscrew uses the power of pressurized air. Insert the needle into the cork, pump the base, and watch the cork pop out cleanly. Pneumatic "Tubular" corkscrew by St. Germain Wine Accessories; costabrava-us.com

Wrapped Glasses / \$40 for 4

Handblown glasses are wrapped in woven natural sea grass for a breezy, summery look. Plus, the grass helps stop slips and drips from iced-drink condensation. Woven wrapped highball glasses; 888-922-4110; ushome.com

Warhol Watch / \$35

Channel instant cool with style at a bargain price. Incorporating a classic Warhol silk-screen image of an upside-down wineglass, it's effortlessly chic. "Nothing Special" watch by Andy Warhol 15; 15minutesof.com

Iced-Tea Pitcher / \$42

Just the thing for iced-tea season. Place your tea bag in the top chamber and pour in boiling water. Fill the bottom carafe with ice, pour the brewed tea over, and enjoy. "Tea-Over-Ice" 24-ounce glass pitcher; teafortie.com

Tea-Light Holder / \$22

Designed to make the flame appear suspended, this tea-light holder is fashioned from two pieces of handblown glass. The top lifts off, so it's easy to light. "Shine" amber and green 5-inch-diameter tea-light holder by Sagaform; apiusstore.com

Flag Napkins / \$36 each

These linens salute fun design. Made by New York-based Dransfield & Ross, the hand-stitched napkins bring a welcome dash of preppy-casual style. "Signal Flag" napkins; available at Bergdorf Goodman; 888-774-2424 for stores

Spicy Relish / \$

If you're barbecuing this summer to keep a jar of this outstanding hand. Made with garlic, pepper, it gives a deliciously vinegary kick and burgers. mcclurespickl

Iced-Tea Pitcher / \$42

Just the thing for iced-tea season. Place your tea bag in the top chamber and pour in boiling water. Fill the bottom carafe with ice, pour the brewed tea over, and enjoy.

"Tea-Over-Ice" 24-ounce glass pitcher; teafortie.com
